

Elm Grove

Elementary

Hello. My name is **Andrea Tucker** and I am the LINC Caring Communities site coordinator at Elm Grove. I come to Elm Grove with a background in elementary teaching. My goal is to create an environment where children and adults feel empowered to live their lives to the fullest.

Andrea Tucker

Elm Grove Caring Communities (816) 650-7568

The Elm Grove Caring Communities initiative will work directly with parents, families, neighbors, businesses and faith organizations to create strong, stable neighborhoods and families.

We will continue to meet the needs of children, families and the neighborhood by providing programs and services such as:

- Open library and Success by Six Resource Center
- Cup Stacking club
- MAP Smart
- Family activities
- School based family outreach worker
- 4-H programs including Sport Fishing, Nutrition Class, and Woodworking

We invite parents, neighbors, faith institutions, businesses and others to participate in the Elm Grove Caring Communities Site Council—a place to share ideas and opportunities and make decisions to improve our school, neighborhood and community.

For more information about services and programs available please visit our web page at www.kclinc.org/elmgrove.
