

Johnson

Elementary

Hello, my name is **Onita Omorodion**, and I am proud to be site coordinator at Johnson Caring Communities. I enjoy working with our partners in the Hickman area. I believe that the key to a successful community is building relationships with families, businesses, and faith-based organizations.

Onita M. Omorodion

Johnson Caring Communities **(816) 316-7924**

The Johnson Caring Communities initiative will work directly with parents, families, neighbors and partners to create strong, stable neighborhoods and families.

We will work to make the school open and available to better meet the needs of the children, families and neighborhood. Our efforts include:

- Affordable Before & After School program for children
- Building Bridges
- Girl Scouts
- Good News Club
- Robotics
- Computer club
- Kidz Math & Kidz Lit
- 4-H Kids in the Kitchen
- CHARACTER COUNTS!
- Art Club

We invite parents, neighbors, faith institutions, businesses and others to join the Johnson Caring Communities Site Council—a place to share ideas and opportunities and make decisions to improve our school, neighborhood and community.

For more information about available services and programs please visit our web page at www.kclinc.org/johnson.
