

# “CHESS for Life” PLAY DAYS

Open chess play sessions are 2-3 hours for adults and students of all ages and ability levels. These are primarily for LINC After-school chess participants, but anyone is welcome. Play days are free, there is no charge.

Mr. Dale Lombard and several volunteer coaches from the “Chess for Life” program will be there. They will suggest matchups and give one-on-one attention and instruction where desired. Mr. Lombard will also bring electronic sets, chess puzzles, and chess computer programs like “Dinosaur Chess” “Lego Chess” and “Chessmaster” to add variety.
